

Chudleigh & District Amenity Society (CADAS) was formed in 1972 to promote high standards of planning and architecture in its area; to protect and conserve all features of historic and public interest; and to stimulate and promote cultural and leisure activities for residents.

The Society's committee scrutinises all planning applications within the District, and comments where appropriate.

When applications are of a significant interest to the Society, such as the proposed development of The Square, Chudleigh, and the closure of Oldway to vehicular traffic, then we act as an independent lobby group.

The preservation of buildings of historical and architectural interest within Chudleigh's Conservation Area is one of the Society's primary concerns and we have a photographic record of all these properties. Working closely with Teignbridge District Council's (TDC) conservation officers, our next step will be to register the most important properties on a Register to be held by TDC.

Finally, we continue to maintain the trees in Lawn Drive, replanting where necessary. We have planted over 2,000 daffodils around Chudleigh, and supplemented the snowdrops in the Churchyard at Chudleigh.

OFFICERS

| | |
|-----------------------------|--------------------|
| President | Bob Stamp |
| Chairman | Andrew Turnbull |
| Vice-Chairman | Doug Hellier Laing |
| Secretary | David Williams |
| Treasurer | Bernard Groves |
| Membership | Bernard Groves |
| Talks Coordinator | Andrew Turnbull |
| Visits | Andrew Turnbull |
| Town Council Observer | Derek Hardy |
| Town Council Representative | Peter Jackson |
